

neuron

animal cell cell electrically active cell electrically responsive cell

Less specific 🔍

electrically signaling cell neural cell somatic cell

neuron

Ancestral terms

Descendant terms

CNS neuron (sensu Vertebrata) GABAergic interneuron

More specific 🔍

GABAergic neuron Purkinje cell afferent neuron central nervous system neuron

cerebellar neuron cerebral cortex neuron dopaminergic neuron efferent neuron

interneuron motor neuron peripheral neuron sensory neuron

serotonergic neuron spinal cord motor neuron

efferent neuron neuron

Less specific 🔍

motor neuron

spinal cord motor neuron

More specific 🔍
